Warning Letter WL09-2446HWSNY16NED  
EPA/DEP ID: FLR 000 154 278  
Duval County - Hazardous Waste

Dear Ms. McCord:

The purpose of this letter is to advise you of possible violations of law for which you may be responsible and to seek your cooperation in resolving the matter. A hazardous waste program compliance inspection conducted on June 1, 2009, indicates that violations of Florida Statutes and Rules may exist at your facility. Florida Department of Environmental Protection (DEP) personnel made observations described in the attached inspection report. The "Summary of Potential Violations and Corrective Actions" section of the report lists the alleged violations.

Section 403.727, Florida Statutes, provides that it is a violation to fail to comply with rules adopted by the DEP. The activities observed during the DEP's field inspection and any other activities at your facility that may be contributing to violations of Florida Statutes or Rules should be ceased.

**You are requested to contact Jenna Perry at 904.807.3382 within 15 days of receipt of this Warning Letter to arrange a meeting to discuss this matter.** The DEP is interested in reviewing any facts you may have that will assist in determining whether any violations have occurred. You may bring anyone with you to the meeting that you feel could help resolve this matter.
