William Parkes Cliff Berry Inc - Port Everglades Facility PO Box 13079 Fort Lauderdale, FL 33316-0100

The Florida Department of Environmental Protection has reviewed your application for registration as a transporter or handler for universal waste lamps and devices destined for recycling. Based on the information received, the facility located at **3400 SE 9th Ave, Fort Lauderdale, FL 33316** has been registered through **March 1, 2011** with the following status:

Facility ID # FLR000083071

Transporter of Universal Waste Lamps and Devices Transfer Facility for Universal Waste Lamps Transfer Facility for Universal Waste Devices Small Quantity Handler Facility for Universal Waste Lamps and Devices (Less than 2,000kg of Lamps (8,000) and/or 100kg of Devices for 1 Year)

The registration form for the year **2011** will be sent to the contact person on your application.

Chapter 62-737, Florida Administrative Code (F.A.C.), (copy enclosed) specifies several other requirements including packaging, training and record keeping for transporters and handlers of and reverse distribution programs for universal waste lamps or devices destined for recycling. These requirements are simple, flexible and make good business and environmental sense (summarized on enclosed fact sheets).

This registration does not allow you to transport or handle universal waste lamps or devices which are destined for landfill or other disposal. The transportation or handling of universal waste lamps or devices destined for disposal is subject to our hazardous waste management regulations under Chapter 62-730, F.A.C.

If any of your facility's information on the Universal Waste Lamp and Device Transporter and Handler Registration Form changes, please notify me at Mail Stop 4555 at the address above. I can also be contacted at (850) 245-8759 or at Laurie.Tenace@dep.state.fl.us.

Sincerely,

Laurie Tenace Environmental Specialist Hazardous Waste Management Section
