Alachua County - Hazardous Waste**

Dear Mr. Chandler:

On May 18, 2010, the Florida Department of Environmental protection (DEP) received your letter dated May 17, 2010, requesting formal authorization for your new facility at 25370 NW 8th Lane in Newberry, Alachua County, Florida, to manage hazardous waste from conditionally exempt small quantity generators (CESQGs) pursuant to Rule 62-730.220(5), Florida Administrative Code (F.A.C.). DEP hereby approves your request with the understanding that the Authorization is limited to the circumstances described in your May 17, 2010, letter to DEP, and that your facility will observe the following management practices:

1. Provide CESQGs with written disposal records that document the type and amount of hazardous waste delivered, the date of delivery, the name and address of both the generator and AAG Environmental. AAG Environmental must maintain copies of these records.
2. Ensure that the waste is:
 - a) Separated from incompatible materials.
 - b) Stored in closed, properly labeled containers that are in good condition and appropriate to the nature of the waste.

*Not a Departmental Process
with dtp stamp*

- c) Provided with adequate aisle space to allow for periodic inspections and access for emergency fire control and spill control equipment.
 - d) Managed only by persons with appropriate HAZWOPER and HAZMAT training.
- 3. Comply with all USDOT shipping requirements when preparing waste for shipment off site.
 - 4. Dispose of hazardous wastes to facilities authorized to manage hazardous waste by the USEPA in accordance with Rule 62-730.030(2), FAC. Copies of disposal records must be maintained.

This authorization replaces and supersedes the letter dated April 3, 2009, related to consolidating CESQG waste at 25145 NW 8th Place, Suite 10 in Newberry, Florida. If we can provide you with any additional assistance, or if you have any questions, please call Pamela Fellabaum at 904.807.3380.

Dear Ms. Graves,

Enclosed please find two applications. We have recently purchased our own building and expect to move by the end of the month. Of the two applications, the first is intended to close out the ID number for our current location (25145 NW 8 Place, Suite 10), while the second is intended to secure us a new facility ID number for our new location (25370 NW 8 Lane), both in Newberry, Alachua County, FL. I hope that I have provided you with all pertinent information, but if I did miss anything, please either call us or email me at alan.chandler@aagenvironmental.com. Thank you.
