To Whom It May Concern:

Re: Insurance/Self Assumption of Risk

CSX Corporation, including its subsidiary company CSX Transportation, has insurance programs for liability and property that are subject to large retentions.

Losses that fall within these retentions, including those for which the Company may be contractually liable are covered by the financial resources of the Company and are administered by the Company's claims personnel.

Please accept this as continuing unless further advised.

We trust this information will adequately serve your needs.

Sincerely,
