In an effort to provide a more efficient service, the Florida Department of Environmental Protection's Hazardous Waste Regulation Section is forwarding the attached document to you by electronic correspondence "e-correspondence" in lieu of a hard copy through the normal postal service.

We ask that you verify receipt of this document by sending a "reply" message to epost_hwrs@dep.state.fl.us. (An automatic "reply message" is not sufficient to verify receipt). If your email address has changed or you anticipate that it will change in the future, please advise accordingly in your reply. You may also update this information by contacting Kim Thursby at (850) 245-8792.

The attached document is in "pdf" format and will require Adobe Reader 6 or higher to open properly. You may download a free copy of this software at www.adobe.com/products/acrobat/readstep2.html.

Please note that our documents are sent virus free. However, if you use Norton Anti-virus software, a warning may appear when attempting to open the document. Please disregard this warning.

Your cooperation in helping us affect this process by replying as requested is greatly appreciated. If you should have any questions about the attached document(s), please direct your questions to the contact person listed in the correspondence.

RE: Name Change from Hydrocarbon Recovery Services, Inc. dba FCC Environmental to FCC Environmental, LLC, Letter dated June 28, 2010

Dear Mr. Coyne:

This is in response to your letter dated June 28, 2010 concerning name change from Hydrocarbon Recovery Services, Inc. to FCC Environmental, LLC. To incorporate the name change request in the Used Oil Processing permits, we have received and reviewed. Please provide for each of the Hydrocarbon Recovery Services, Inc. facilities as listed in Table 1 the following: (1) an updated Part A permit application; (2) Notification Form 8700-12FL; (3) an application for notification of the name change [DEP Form #62-701.900(8)]; and (4) a fee of \$50.00 for each facility. Also, update the Used Oil transporter insurance certificates to all the facilities if appropriate.

Table 1: Hydrocarbon Recovery Services, Inc. facilities.

1. Hydrocarbon Recovery Services, Inc. Ft. Pierce, Florida, FL0 000 346 304
2. Hydrocarbon Recovery Services, Inc. Plant City, Florida, FLD 065 680 613
3. Hydrocarbon Recovery Services, Inc. Pompano Beach, Florida, FLD 984 262 410
4. Hydrocarbon Recovery Services, Inc. Orlando, Florida, FLR 000 069 088
5. Hydrocarbon Recovery Services, Inc. Jacksonville, Florida, FLR 000 031 393

Please note that FCC Environmental, LLC must demonstrate their Financial Assurance for closure cost for all the facilities. Until that time, processing of the permits are on hold and will be processed upon receipt proof of Financial Assurance approval from the Department.

Also, if you have a Solid Waste separate permit at Plant City facility, please contact Steve Morgan at 813-632-7600 or e-mail: steve.morgan@dep.state.fl.us.

Please provide all this information within thirty (30) days of receipt of this letter.

Mr. John Coyne, Director of EH&S
