HAZARDOUS MATERIAL MANAGEMENT FACILITY LICENSE

GENERAL CONDITIONS

1. The terms, conditions, requirements, limitations and restrictions set forth herein are accepted and must be completed by the Licensee and enforceable by the Department of Planning and Environmental Protection (DPEP) pursuant to the Code. DPEP will review this license periodically and may revoke or suspend the license, and initiate administrative and/or judicial action for any violation of the conditions by the Licensee, its agents, employees, servants or representatives.
2. This license is valid only for the specific uses set forth in the license application and any deviation from the approved uses may constitute grounds for revocation, suspension and/or enforcement action by DPEP.
3. In the event the Licensee is temporarily unable to comply with any of the conditions of the license or with the Code, the Licensee shall notify DPEP within eight (8) hours or as stated in the specific section of the Code. Within three (3) working days of the event, the Licensee shall submit a written report to DPEP that describes the incident, its cause, the measures being taken to correct the problem and prevent its reoccurrence, the owner's intention toward repair, replacement and reconstruction of destroyed facilities and a schedule of events leading toward operation within the license condition.
4. The issuance of this license does not convey any vested rights or exclusive privileges, nor does it authorize any injury to public or private property or any invasion of personal rights, or any violation of federal, state or local laws or regulations.
5. This license must be available for inspection on the Licensee's premises during the entire life of the license.
6. By accepting this license, the Licensee understands and agrees that all records, notes, monitoring data and other information relating to the construction or operation of this licensed facility or activity, that are submitted to the County, may be used by the County as evidence in any enforcement proceeding arising under the Code, except where such use is prohibited by Section 403.111, Florida Statutes.
7. **The Licensee agrees to comply and shall comply with all provisions of the most current version of the Code.**
8. Any new owner or operator of a licensed facility shall apply by letter for a transfer of license within thirty (30) days after sale or legal transfer. The Transferor shall remain liable for performance in accordance with the license until the Transferee applies for and is granted a transfer of license. The Transferee shall be liable for any violation of the Code that results from the Transferee's activities. The Transferee shall comply with the Transferor's original license conditions when the Transferee has failed to obtain its own license.
9. The Licensee, by acceptance of this license, specifically agrees to and shall allow DPEP personnel access to the licensed source, activity or facility for the purposes of inspection and testing to determine compliance with this license and the Code.
10. This license does not constitute a waiver or approval of any other license, approval, or regulatory requirement by this or any other governmental agency that may be required.
11. If the Licensee wishes to renew the license or extend its term, the Licensee should make application sixty (60) days prior to its expiration; including payment of all appropriate fees. Expired licenses are not renewable.

SPECIFIC CONDITIONS

1. The Licensee is required to fully comply with all operating requirements specified in Section 27-356(c)(4) of the Code.
2. The Licensee shall submit a monthly report to DPEP no later than the fifteenth (15) day of the succeeding month. If no waste was hauled and transferred by the Licensee during the reporting month, the Licensee shall send in a report to DPEP stating such. The report shall include:
 - a. The transfer facility name and license number
 - b. The month covered by the report;
 - c. The total quantity of material received by type;
 - d. The total quantity of material shipped, by type, to a licensed disposal facility and identify the disposal location(s); and
 - e. In addition to the requirements specified in a. through d. above, facilities which receive and ship hazardous waste shall include with the monthly report the hazardous waste manifest.
3. The licensee shall only receive waste from and/or transfer waste with waste transporters that have current Broward County waste transporters license as evidenced by license identification decal displayed on the rear of the hauling vehicle. Vehicles solely used in the transportation of hazardous waste are exempt from the identification tag requirements specified in Section 27-439(e)(4) of the Code.
