Re: Letter of Transmittal for Solid Waste Application Package

Dear Mr. Peluso:

Cliff Berry, Inc. (CBI) would like to make application to the Florida Department of Environmental Protection for a modification of our Used Oil Processor permit to include solid waste management operations at our Miami Facility.

Please find the following attached at part of our application package.

1. Check for five hundred dollars (\$500.00)
2. Application
3. Description of Operations
4. Financial Assurance Instrument

If you have any questions please call me (954) 763-5455.

Sincerely,

William E. Parkes, Jr.
Miami Facility Manager

C. CERTIFICATION BY APPLICANT AND ENGINEER OR PUBLIC OFFICER

A. Applicant

The undersigned applicant or authorized representative of CLIFF BERRY, INC. is aware that statements made in this form and attached information are an application for a SOLID WASTE MANAGEMENT Permit from the Florida Department of Environmental Regulation and certifies that the information in this application is true, correct and complete to the best of his knowledge and belief. Further, the undersigned agrees to comply with the provisions of Chapter 403, Florida Statutes, and all rules and regulations of the Department. It is understood that the Permit is not transferable, and the Department will be notified prior to the sale or legal transfer of the permitted facility.

CLIFF BERRY, II
Signature of Applicant or Agent

CLIFF BERRY, II PRESIDENT
Name and Title

Date: 2/10/99

Attach letter of authorization if agent is not a governmental official, owner, or corporate officer.

B. Professional Engineer Registered in Florida or Public Officer as required in Section 403.707 and 403.707(5), Florida Statutes.

This is to certify that the engineering features of this solid waste management facility have been examined by me and found to conform to engineering principals applicable to such facilities. In my professional judgement, this facility, when properly maintained and operated, will comply with all applicable statutes of the State of Florida and rules of the Department. It is agreed that the undersigned will provide the applicant with a set of instructions of proper maintenance and operation of the facility.

Solid Waste Consolidation Operations

1. Drums of Solid Waste are bulked into roll-off boxes
 - a. Roll-off container is set inside a contained area for secondary containment in case of any accidents
 - b. Material Accepted for bulking
 - i. Soil
 - ii. Sand
 - iii. Debris
 - iv. Sludge
 - v. Liquid
 - vi. Non-EPA regulated Solid Waste
 - c. Materials which require solidification
 - i. Sludge
 - ii. Liquid
2. All roll-off boxes that contain material that has been contaminated with petroleum products are laboratory tested by the following EPA methods. Analysis is done on individual drums initially and then a composite sample is taken from the roll-off container when bulking is complete.
 - a. EPA 8010
 - b. EPA 8020
 - c. Total RCRA Metal
 - d. FL-Pro
 - e. Total Halogens
 - f. PCB's (as required)
3. Solidification process; step by step
 - a. Drummed material is dumped into roll-off container
 - b. liquids and solids are mixed together
 - c. oil absorbing material is used to solidify
 - i. oil dry
 - ii. heat treated peat moss
 - iii. sawdust
 - iv. vermiculite absorbent
 - d. materials are mixed inside roll-off container
4. Destination facilities for solidified materials
 - a. CSR Rinker, incineration plant
 - b. Waste management, landfill (no free liquids)
 - c. Additional facilities as required

AN ASSUREX PARTNER

February 12, 1999

Mr. Bill Parkes
Cliff Berry, Inc.
P.O. Box 13079
Port Everglades Station
Ft. Lauderdale, FL 33316

Dear Bill,

This letter will confirm that our agency is currently pursuing suretyship on behalf of Cliff Berry for two closure bonds required by the State of Florida. We are in the process of gathering the appropriate underwriting information and will be forwarding to an insurance company shortly. We are targeting March 15, 1999 as a practical date of issuing the bonds.

Please call with any questions.

Sincerely,

John O. Harrold
Senior Vice President
