Dear Mr. Cook:

Environmental Remediation Services, Inc.
FLD 984 261 412
Duval County - Hazardous Waste

The Department has received your letter, dated February 8, 1995, requesting information on used oil management regulations (62-710, FAC). Enclosed is the Department's current guidance on the management of used oil filters. I have also forwarded your questions for response to the Department's Solid Waste Section, who administers use oil management regulations.

If you have any questions or comments regarding this letter, please contact me at the letterhead address or call (904)448-4320, extension 381.

Sincerely,

Stanley Tam
