Attention: Mr. Jim Sorrow

Dear Sir:

M & W Industrial Coating, Inc. has requested that the Department of Environmental Regulation review their procedure for disposal of tank cleaning residue. A letter (RE: Colonial Pipeline Company Tank Cleaning Transportation and Disposal of Waste) was reviewed and the procedure contained in that letter met the requirements of the State for the handling of a Subcategory C hazardous waste.

If I can be of further assistance, please do not hesitate to call.

Sincerely,

Ernest E. Frey, Supervisor
Hazardous Waste Section
