Subject: FDEP inspection of LES

Yuri,
Sorry I did not email you before now, I have been trying to work out some of LES's requirements and conditions with our Tallahassee staff. Unfortunately, that is still on-going so I cannot give you an update on the personnel training requirements like I said during my visit. Since my report is due very soon, this information will most likely come when the report does and you can find the information there.

Again, I apologize for the delay.
