RE: Raider Environmental Services As-build Drawings, *FLR 000 143 891*
Permit No: 284932-HO-001

Dear Mr. Kothur:

Thank you very much for the time and assistance you provided in our meeting of November 7, 2011. Enclosed please find the current (November, 2011) site diagrams and piping diagrams for the Raider Environmental Services facility. As we discussed, Raider will be preparing and submitting a Major Modification package within the next two weeks. Mr. Obst and I very much appreciate your understanding of the facility local permitting challenges and your clear explanation of what information is needed by the Department.

If you need any additional information at this time, please advise.
Sincerely,

John M. Jones, P.E.
