Dear Kathy,

This letter is in reference to your memo concerning your audit at the Pompano Beach facility. To fully comply with rule, Chapter 62-730.171(4)(b), in addition to aisle space, we will segregate non compatible waste streams by storing the drums on a pallet in the 10 day area.

If you have any questions please call me at 954-785-2320.

Sincerely,
