VICTOR SAN AGUSTIN
FECC Inc
3652 Old Winter Garden Rd
Orlando, FL 32805-1020

The Florida Department of Environmental Protection has reviewed your application for registration as a transporter or handler for universal waste lamps and devices destined for recycling. Based on the information received, the facility located at **3652 Old Winter Garden Rd, Orlando, FL 32805-1020** has been registered through **March 1, 2014** with the following status:

Facility ID # **FLD981748015**
Transporter of Universal Waste Lamps

The registration form for the year **2014** will be sent to the contact person on your application.

Chapter 62-737, Florida Administrative Code (F.A.C.), (copy enclosed) specifies several other requirements including packaging, training and record keeping for transporters and handlers of universal waste lamps or devices destined for recycling. These requirements are simple, flexible and make good business and environmental sense (summarized on enclosed fact sheets).

This registration does not allow you to transport or handle universal waste lamps or devices which are destined for landfill or other disposal. The transportation or handling of universal waste lamps or devices destined for disposal is subject to our hazardous waste management regulations under Chapter 62-730, F.A.C.

If any of your facility's information on the Universal Waste Lamp and Device Transporter and Handler Registration Form changes, please notify by sending an updated form 8700-12FL(Florida Notification of Regulated Waste Activity) to the address on the form which can be found at <http://www.dep.state.fl.us/waste/categories/mercury/pages/registration.htm>. I can also be contacted at (850) 245-8759 or at Laurie.Tenace@dep.state.fl.us.

Sincerely,

Laurie Tenace

Subject: **Reminder to register to transport/handle mercury for recycling in Florida**

Happy New Years to all Florida Registered Mercury Handlers and Transporters:

Your registration to manage mercury-containing lamps and/or devices for recycling needs to be renewed. The renewal period is from January 1 - March 1. This is your second and last reminder to re-register.

For those who have already submitted their form for 2013, my apologies for this second email. You do not need to send a second copy of your form.

The form that needs to be submitted is the 8700-12FL form, "Florida Notification of Regulated Waste Activity." The form and directions are here:

<http://www.dep.state.fl.us/waste/categories/mercury/pages/registration.htm>

If you are a transporter or transfer facility, you should also submit the Checklist linked on that page. If you are ONLY a HANDLER facility, that form is not needed.

If you need help, please do not hesitate to contact me at 850-245-8759. Remember, we must have an original signature on the form. Faxed or emailed copies cannot be processed. Please mail the original to the address at the top of the form. You do not have to mail it to my attention.

Thanks for helping recycle in Florida!
Laurie
