**Subject:** Raider Ten-day hazardous waste transfer

Janet,

The Raider Environmental Services facility located at 3555 East State Road 60 in Mulberry, Florida submitted an application for a 10-day hazardous waste transfer facility dated July 22, 2012 and received August 10, 2012. On April 18, 2013 they submitted the final documentation required by Rule 62-730.171, Florida Administrative Code. Please update and re-issue their hazardous waste transporter authorization to show them as an approved 10-day transfer facility.

Thanks.
