Storage Area Plans

Dear Mr. Patel:

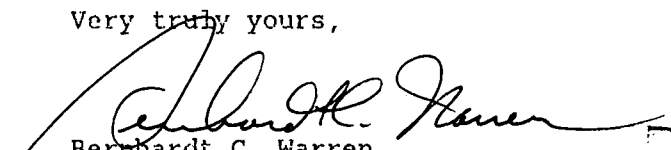

In accordance with the requirements of the T.O.P. issued July 15, 1988, we are submitting for your review our plans for our upgraded covered storage area.

The submittal includes six copies each of the following:

1. Revised Site Plan - Showing proposed location and set back requirements.
2. Storage Area Plan - Including definition of the floor, roof, drainage, sumps, berming, and etc.
3. Specification For Quadrex Storage Shed - Specifying contractor requirements for metal and cement work.
4. Drum Storage Plan - Indicating aisle spacing and arrangement, and drum capacity.
5. Calculations - Indications spill retention capability and structural acceptability of floor.

After your review, we will submit these plans to local authorities for their approval, issuance of building permits, and begin the construction. We anticipate the planned improvements to be completed by July 15, 1989.

Very truly yours,

Bernhardt C. Warren
Manager, Waste Management Services
