NOTICE OF DENIAL OF USE OF GENERAL PERMIT

This is to notify you that the project noticed for a Used Oil Processing Facility general permit does not qualify for a general permit based on the information submitted with your notice received on March 27, 1995. The requirements for the general permit that you noticed are specified in Rule 62-710.800, Florida Administrative Code (F.A.C.). Your notice does not qualify for the following reasons:

1. The applicant has failed to submit the documentation for items 6, 7, 8 and 9 as required on page 1 of 2 and page 2 of 2 of DEP Form # 62-710.900(5), entitled "Used Oil Processing Facility General Permit Notification". Rule 62-710.800, F.A.C., General Permits for Used Oil Recycling Facilities states in part that:
 - (1) An owner or operator of a used oil recycling facility shall operate, modify, or close such a facility only pursuant to a general permit, and shall meet the applicable general permit requirements in Rules 62-4.510 through 62-4.540, F.A.C., and the requirements of this rule.
 - (2) Before operating, modifying, or closing a facility under a general permit, the owners or operators of used oil recycling facilities shall notify the Department on Form 62-710.900(5). An existing facility shall notify the Department within 90 days after the effective date of this rule. The notification for a new facility or a renewal of a general permit shall be submitted 30 days before the operation begins or an existing general permit expires.
 - (3)(a) A used oil recycling facility shall have and submit to the Department as part of its general permit notification a written closure plan to show how the facility will be closed to meet the following requirements:
 1. There will be no need for further facility maintenance;
 2. Used oil will not contaminate surface or ground water;and
 3. All soils will be free of oil, and equipment will be emptied and cleaned or dismantled.
 - (4) The general permit for a used oil recycling facility shall be valid for five years. A general permit may be renewed by submission of the notification required in subsection (2).

"Protect, Conserve and Manage Florida's Environment and Natural Resources"

Printed on recycled paper.

To use the general permit a new Notification of Intent to a Use General Permit for an Oil Processing Facility, DEP Form 62-710.900(5), that resolves these deficiencies must be resubmitted to the Department with a \$100.00 fee.

A person whose substantial interests are affected by this action may petition for an administrative proceeding (hearing) in accordance with Section 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, within 14 days of receipt of this Notice. A petitioner other than the applicant shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Section 120.57, Florida Statutes.

- The Petition shall contain the following information;
- (a) The name, address, and telephone number of each petitioner, the applicant's name and address, the Department File Number and the county in which the project is proposed;
 - (b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
 - (c) A statement of how each petitioner's substantial interests are affected by the Department's action or proposed action;
 - (d) A statement of the material facts disputed by petitioner, if any;
 - (e) A statement of facts which petitioner contends warrant reversal or modification of the Department's action or proposed action;
 - (f) A statement of which rules or statutes petitioner contends require reversal or modification of the Department's action or proposed action; and
 - (g) A statement of the relief sought by petitioner, stating precisely the action petitioner wants the Department to take with respect to the Department's action or proposed action.

If a petition is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this permit. Persons whose substantial interests will be affected by any decision of the Department with regard to the applicant have the right to petition to become a party to the proceeding. The petition must conform to the requirements specified above and be filed (received) within 14 days of receipt of this notice in the Office of General Counsel at the above address of the Department. Failure to petition within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, F.S., and to participate as a party to this proceeding. Any subsequent intervention will only be at the approval of the presiding officer upon motion filed pursuant to Rule 28-5.207, F.A.C.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above paragraphs or unless a request for extension of time in which to file a petition is filed within the time specified for filing a petition and conforms to Rule 62-103.070, F.A.C. Upon timely filing a petition or a request for an extension of time this permit will not be effective until further Order of the Department.

When the Order is final, any party to the Order has the right to seek judicial review of the Order pursuant to Section 120.68, Florida Statutes, by the filing of a Notice of Appeal pursuant to Rule 9.110, Florida Rules of Appellate procedure, with the Clerk of the Department in the Office of General Counsel, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with

the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date the Final Order is filed with the Clerk of the Department.
