**PUBLIC NOTICE OF
PROPOSED AGENCY ACTION
FLORIDA DEPARTMENT
OF ENVIRONMENTAL
REGULATION
3426 Bills Road
Jacksonville, Florida 32207
904/798-4200**

The Florida Department of Environmental Regulation (DER) gives notice of its intent to issue a permit under the Resource Conservation and Recovery Act (RCRA), as amended by the Hazardous and Solid Waste Amendments of 1984, Section 403.722, Florida Statutes, and Chapters 17-4 and 17-30 of the Florida Administrative Code (FAC) to Quadrex HPS Inc., located at 1940 N.W. 67 Place, Gainesville, Florida 32606-1649, having assigned facility I.D. Number FLD 980711 071. The temporary operation permit, if issued, will be the State permit which covers the

Resource Conservation and Recovery Act (RCRA) program that was in effect prior to the passage of the Hazardous and Solid Waste Amendments of 1984 (HSWA). The Environmental Protection Agency (EPA) may take permitting action under the requirements of the HSWA. With the State permit, Quadrex HPS Inc. will have a RCRA permit for those portions of the RCRA program in effect prior to the HSWA.

The State of Florida has been granted authorization for those portions of the RCRA Hazardous Waste Program that were in effect prior to the passage of the Hazardous and Solid Waste Amendments of 1984. The Federal Environmental Protection Agency will administer the applicable portions of the Hazardous and Solid Waste Amendments of 1984 (specifically the waste minimization and prior release sections) until the State receives authorization for these provisions.

A draft permit, prepared in accordance with the provisions of Chapter 17-30 of the Florida Administrative Code (FAC), contains the conditions for the storage of hazardous waste in the following units:

A. A container storage area to store a maximum of 50,000 gallons of hazardous waste in containers ranging in size from 1/2 gallon to fifty-five (55) gallon drums.

B. A 3,000 gallon above-ground storage tank.

The application and a copy of the proposed permit are available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at Florida Department of Environmental Regulation, 3426 Bills Road, Jacksonville, Florida 32207 (904) 798-4200.

Any interested person may submit written comments on this proposed State agency action to the Department of Environmental Regulation, 3426 Bills Road, Jacksonville, Florida 32207, within forty-five (45) days of publication of this notice. All comments on the facility will be considered by the Department in formulating a decision on issuing the respective permit.

A person who is substantially affected by the Department's proposed permitting decision may request a hearing in accordance with Section 120.57, Florida Statutes, and Chapters 17-103 and 28-5, Florida Administrative Code. Any person may request a public meeting pursuant to Section 403.722(10), Florida Statutes. The request for a hearing or meeting must be filed (received) in the Office of General Counsel of the Department at 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, within forty-five (45) days of publication of this notice. Failure to file a request for hearing within this time frame shall constitute a waiver of any right such person may have to request a hearing under Section 120.57, Florida Statutes, or a meeting under Section 403.722(10), Florida Statutes.

If a petition on the Department's permit is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the proposed agency action. Persons whose substantial interests have been affected by any decision of the Department have the right to intervene in the proceeding. A petition for intervention must be filed pursuant to Model Rule 28-5.207, Florida Administrative Code, at least five (5) days before the final hearing and be filed with the hearing officer, if one has been assigned, at the Division of Administrative Hearings, Department of Administration, 2009 Apalachee Parkway, Tallahassee, Florida 32301. If no hearing officer has been assigned, the petition is to be filed with the Department's Office of General Counsel, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400. Failure to petition to intervene within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, Florida Statutes. (3190) 3:31
