RE: FLD 980 711 071 - Gainesville, Florida

Dear Mr. Warren:

I have reviewed the documents used to demonstrate financial assurance and liability coverage that you sent with your letter dated February 17, 1988 and find that they are incomplete.

40 CFR 264.143(f)(3) and 264.147(f)(3) require a special report from the owner's or operator's independent certified public accountant be submitted attesting that the financial test data submitted was derived from the independently audited, year end corporate financial statement and that no matters requiring adjustment came to his/her attention. We must receive the auditor's report for the fiscal year ended January 31, 1987 prior to April 30, 1988 in order to attain compliance using this financial test.

As you know financial assurance information must be updated within 90 days after the close of each succeeding fiscal year. Since your fiscal year ends January 31, your next financial test is due by April 30, 1988.

I have enclosed the most recent 40 CFR Part 264, Subpart H requirements and another financial test form. Please continue to send financial information to me at the letterhead address. If this office can be of any further assistance, please call me or Fred J. Wick at 488-0130.

Sincerely,
