Process Description:

On August 8, 2012, Department personnel Jim Byer, Bheem Kothur, and Aaron Mitchell conducted a compliance assisted site visit at the Florida Transformer, Inc. facility located in Defuniak Springs, Florida. Jessica Pennington the facility's Environmental Compliance Specialist facilitated the site visit. The purpose of the site visit was to review the facility operations in regards to the used oil processing permit application that was being reviewed by the Department for approval. Inspectors reviewed site management practices for the facility and also were given information about how the the facility used oil processing procedures would be conducted. A review of offsite and onsite procedures and management were reviewed for the Department as well.

Inspection Date: 08/08/2012

Signed:

A hazardous waste compliance inspection was conducted on this date, to determine your facility's compliance with applicable portions of Chapters 403 & 376, F.S., and Chapters 62-710, 62-730, 62-737, & 62-740 Florida Administrative Code (F.A.C.). Portions of the United States Environmental Protection Agency's Title 40 Code of Federal Regulations (C.F.R.) 260 - 279 have been adopted by reference in the state rules under Chapters 62-730 and 62-710, F.A.C. The above noted potential items of non-compliance were identified by the inspector(s).

This is not a formal enforcement action and may not be a complete listing of all items of non-compliance discovered during the inspection.
