## Safety-Kleen Annual Waste Minimization Certification

This document is intended to cover the waste minimization certification requirements of 40 CFR 264.73(b)(9) and is to be certified, annually by the Branch Manager for each location.

### WASTE MINIMIZATION CERTIFICATION STATEMENT

On behalf of Safety-Kleen Corp., I hereby certify that the Safety-Kleen Corp. 161 INDUSTRIAL Loop S. Orange PK Service Center Number 3 - 079 - 01 has a program in place to reduce the volume and toxicity of hazardous waste generated to the degree determined by Safety-Kleen to be economically practicable; and

The proposed method of treatment, storage or disposal is the most practicable method available to Safety-Kleen which minimizes the present and future threat to human health and the environment.
