Mr. Ernest E. Frey, P.E.
Florida Department of Environmental Regulation
3426 Bills Road
Jacksonville, Florida 32207

Dear Mr. Frey:

Please note that Safety-Kleen is instituting a new procedure concerning facility compliance issues, warning notices, and notices of violation, etc. Please send all such correspondence to:

Mr. Richard S. Peoples
Environmental Manager - Branch Services
Environment, Health & Safety Department
Safety-Kleen Corp.
777 Big Timber Road
Elgin, Illinois 60123
(708) 697-8460

The correspondence will then be forwarded to me. All actions required will be tracked by computer as to deadlines and completion dates. This system should enable Safety-Kleen to be more responsive to state requirements.

If there are others in your district who will need this information, could you please inform them? Your assistance is greatly appreciated.

Sincerely,

Joseph W. Hartline
Regional Environmental Engineer
