1. Report Date: July 20, 1992
2. Person Filing Report: Russ Giambrone

DOCKET # 92-7

3. Date and Time of Incident: July 15, 1992, 11:45 AM

4. Description of incident:

Approximately 10 gallons of clean mineral spirits spilled from a drum. The drum overturned after a malfunction of the service truck hoist. Some of the solvent ran off the paved parking lot onto the dirt.

5. Extent of Personal Injuries: None

6. Extent of Property Damage:

Some soil contaminated with solvent had to be excavated and removed from property.

7. Description and Estimated Quantity of Material Released:

Approximately 10 gallons spilled of clean mineral spirits.

8. Human Health and Environmental Impact:

No human health impacted. Some soil next to parking lot was impacted.

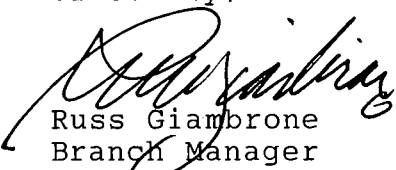

9. Remedial Action Taken:

All solvent that was on the pavement was removed with absorbent wipes. Dirt was excavated until no evidence of mineral spirits could be observed visually or by smell. All clean-up material was placed in 16 gallon drums.

10. Estimated Quantity of Clean-Up Residue for Treatment and Disposal:

A total of 6-16 gallon drums of contaminated dirt and absorbent wipes were generated. Drums will be shipped to a Safety-Kleen Recycle Center for disposal.

Sincerely,

Russ Giambrone
