Dear Mr. Mongillo:

Initial Remedial Action and  
Soil Screening Report of March 11, 1994  
Mobro Marine Facility - Green Cove Springs  
Clay County - Waste Cleanup

The Northeast District DEP Office has reviewed the above-referenced document submitted for the Mobro Marine facility. The above-referenced report, in addition to the information presented to the Department on January 14, 1994, adequately addresses the Department's concerns generated from the Preliminary Contamination Assessment Report (PCAR) review. Based on the information submitted, ~~contamination was below state guidance concentrations;~~ therefore, No Further Action is required.

Please note that this letter does not certify that the site is not contaminated, and the Department reserves the right to require appropriate actions for this site if any contamination is discovered in the future.

If you have any questions, you may contact me at the letterhead address or at (904)448-4320 extension 249.

Sincerely,

Brian K. Kelley  
Environmental Specialist  
Waste Cleanup
