Dear Mr. Ansbacher:

Re: Request Notice RN92-0001AP10NED
and
Consent Order 92-0048

This is to acknowledge the Department's receipt of your letter dated April 28, 1992.

As a point of clarity, the short-form Consent Order (92-0048) mailed to Moody Bros. dated April 8, 1992 is for settlement of the violation(s) outlined in Request Notice RN 92-0001AP10NED ONLY, as it pertains to violation(s) of Florida Administrative Code Rule 17-2 Air Pollution. Any other violations being addressed is a separate matter and are not considered resolved until done so with each respective program area within the Department.

The above Consent Order must still be signed by Moody Bros., Inc. and executed by the Department. Please forward the document to this office as soon as possible as the response date was originally April 24, 1992.

Thank you for your inquiry and if there are further questions regarding this matter please contact us.

Sincerely,

Juanita P. Williams
