**RE: OSHA Training for Personnel at MOBRO Marine  
M&A Project No. JE1-665, Control No. 1439**

Dear Sid:

Missimer & Associates, Inc. (M&A) conducted OSHA training to the awareness level at the MOBRO Marine facility on July 9 & 10, 1992. Twenty-eight MOBRO personnel were trained to the standard. The names of the personnel trained are on file and available upon request. M&A identified 16 MOBRO personnel who will need additional training to become qualified. A schedule for training the remaining 16 personnel will be developed and implemented upon the request of MOBRO Marine.

If you have any questions or comments please feel free to call me at (904) 448-6400.

Sincerely,

MISSIMER & ASSOCIATES, INC.
