Mr. Al Styring, Vice President  
VAW of America  
Post Office Box 3887  
St. Augustine, Florida 32085

Dear Mr. Styring:

On August 12, 1988, the Florida Department of Environmental Regulation (FDER) conducted an inspection of your facility to determine compliance with the applicable regulations of the Land Disposal Restrictions Rule (LDRR). The Land Ban Inspection Checklist completed during the inspection is enclosed.

At this time, no violations of the Land Disposal Restrictions Rule were found at your facility.

The Land Disposal Restrictions Rule was amended on August 17, 1988. A copy of the most current ruling is enclosed for your reference.

If you have any questions regarding the LDRR or the enclosed checklist, please do not hesitate to call Lisa Perras of my staff at (404) 347-2234.

Sincerely yours,

Allan E. Antley, Chief  
Waste Compliance Section  
RCRA Branch
