RE: Notification of Manifest / Bill of Lading Discrepancy

To Whom It May Concern:

The attached list below identifies Manifest and or Land Disposal Restriction that were picked up using the incorrect EPA ID Number. The correct EPA ID number on the Manifest and or Land Disposal Restriction should read: EPA ID # FLD004132445.

MANIFEST AND LDR # 011500487JJK Dated 05/16/2013

An EQ Florida, Inc. representative has corrected the EPA ID # under this site location to prevent a recurring incident. This amendment will allow the proper receipt and management of waste. A copy of this letter will be scanned to the manifest and Land Disposal Restriction documents listed above.

Respectfully,

Ken Dean
Operations Manager
