Good Morning Ms Winston

Attached you should find (2013) training documents for Joey Bentancourt and an additional driver (Art Menendez) as requested during your facility inspection. I apologize for the tardiness of presenting these to you. There was a mis-communication between Antonia and myself each thinking the other had done it. If you need additional information or have any questions concerning the training please do not hesitate to contact me. I am located out of our Mulberry office and can be reached at 863-425-4411. If possible could I get a copy of the final report for my files.

Thank you  
Bob Mulholland
