May 2014 mailing of SPCC Plans went out this morning meeting the 14 days deadline to resend SPCC Plans to the distribution list. Envelopes with a cover letter and CD Rom (containing all CBI facility plans) were taken to the post office with green certified mail return-receipt post cards attached. Please see photos.

We should have the return-receipt postcards back to CBI in about a week to ten days.

All CD Roms were recorded at the slowest available speed of 10x (versus 24x) so that they can be read by the maximum number of computers.

Best regards,

Steve
