Dear Ms. Gierczak,

Attached is a copy of a permit from Noble Oil Services, Inc. which is the other company we do business with.

Also, we have put a system in place wherein we have a binder with pertinent copies of the business licenses and permits and a calendar system which we keep track of expiration dates on such licenses. Once they are about to expired, we will contact the company and request their renewal.

Hope this will satisfies for compliance. Should you have any questions, kindly contact me or my assistant Helys Abraham; which I have copied.

Thank you.
