| RHWT | 10/02/2014 | HWT/UOH Certificate of Liability insurance form on file has expired. The ACORD policy number does not match the Certificate of Liability form on file. | HORLICK_S |
| RHWT | 10/02/2014 | Email to Laura Oran: In reviewing your submittals, we notice additional information is needed. Our records indicate we did not receive all the required documents to process your HWT renewal registration which is required by September 1 of each year. The Certificate of Liability Insurance Hazardous Waste Transporter and Used Oil Handler we have on file is expired. You must maintain valid liability insurance during the entire HWT registration period. To date we received only an ACORD form. An ACORD form is acceptable evidence of current insurance only if the same policy with the same insurance provider found on the Hazardous Waste Certificate of Liability Insurance in our file is renewed. The policy number does not match. This ACORD form cannot be used to update the insurance in our data system. In order to process your HWT renewal registration, please submit a 8700-12FL Florida Notification of Regulated Waste Activity and a State of Florida Certificate of Liability Insurance Hazardous Waste Transporter and Used Oil Handler form (blank forms attached for your convenience). As soon as possible, please mail the required forms to: DEP Waste Management Division¿HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400 Let me know if you have any questions or comments. Thanks | HORLICK_S |
