Petitions filed by any other persons must be filed within 45 days of publication of this notice or receipt of the Intent, whichever occurs first. A petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within this time period shall constitute a waiver of that person's right to request a hearing under Sections 120.569 and 120.57, F.S. A petition that does not dispute the material facts on which FDEP's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that FDEP's final action may be different from the position taken by it in this notice. Per-
