

**Florida Department of  
Environmental Protection  
Hazardous Waste Inspection Report**

---

**FACILITY INFORMATION:**

**Facility Name:** Environmental Services & Logistics Inc  
**On-Site Inspection Start Date:** 12/09/2015      **On-Site Inspection End Date:** 12/09/2015  
**ME ID#:** 105753      **EPA ID#:** FLR000193854  
**Facility Street Address:** 709 NW Bristol St, Port St Lucie, Florida 34983-8306  
**Contact Mailing Address:** 709 NW Bristol Street, Port St Lucie, Florida 34983  
**County Name:** St. Lucie      **Contact Phone:** (772) 871-2444

**NOTIFIED AS:**

Non-Handler  
Used Oil

**INSPECTION TYPE:**

Routine Inspection for Used Oil Transporter facility

**INSPECTION PARTICIPANTS:**

Principal Inspector: Magdalena Gierczak, Inspector  
Other Participants: Jeffrey Smith, Owner

**LATITUDE / LONGITUDE:** Lat 27° 20' 8.358" / Long 80° 22' 21.0324"

**SIC CODE:** 4212 - Trans. & utilities - local trucking, without storage

**TYPE OF OWNERSHIP:** Private

**Introduction:**

Environmental Services & Logistics, Inc. (ESLI) is registered as a used oil transporter, PCW Manager, and Non-Handler of Hazardous Waste. The facility consists of a home office located at the personal residence of Mr. Y Mrs. Smith and a vehicle/truck storage located at an off-site location at Yavorsky's Truck Service Lot at 10960 Orange Ave, Fort Pierce, FL 34945. The Truck Service offers a secure storage (completely surrounded by a security fence) and full service, maintenance, and repair of the vehicles. ESLI stores four (4) trucks at this location. This facility is situated on a 2.6 acre site in a rural area. The facility has been operating on this site since 2012 and employs 6 people (full- and part-time).

Facility has never previously been inspected by the Department and there are no violations on record.

**Process Description:**

ESLI operates as a middle-man for used oil transport for CBI. All used oil is halogen-tested by CBI and only non-off-spec oil is transported by ESLI. ESLI does not store used oil in their trucks overnight. All used oil is dropped off at a receiving UOP/UOT the same day it is picked up by ESLI.

**Facility Tour:**

During the facility tour, no issues were noted. Trucks were observed equipped with appropriate fire extinguishers and spill kits.

**Records Review:**

All records appeared to be in order. Reviewed were: Contingency Plan, manifests, proof of insurance, delivery logs and training records.

Manifests/used oil delivery records confirmed that ESLI does not store the material overnight.

Inspection Date: 12/09/2015

**Conclusion:**

No violations were observed at time of inspection.

Inspection Date: 12/09/2015

**Signed:**

A hazardous waste compliance inspection was conducted on this date, to determine your facility's compliance with applicable portions of Chapters 403 & 376, F.S., and Chapters 62-710, 62-730, 62-737, & 62-740 Florida Administrative Code (F.A.C.). Portions of the United States Environmental Protection Agency's Title 40 Code of Federal Regulations (C.F.R.) 260 - 279 have been adopted by reference in the state rules under Chapters 62-730 and 62-710, F.A.C. The above noted potential items of non-compliance were identified by the inspector(s).

This is not a formal enforcement action and may not be a complete listing of all items of non-compliance discovered during the inspection.
