|      |            | Email sent to Linda Dunwoody and Denise Krous: We could not use the submitted ACORD form to update our database and the Insurance form on file has expired. According to Rule 62-710.600, Florida Administrative Code, used oil transporters are required to maintain vehicle insurance at all times when transporting used oil. Handling used oil or used oil filters without liability insurance and a valid registration is a violation of the law, subject to penalty. Please submit a revised Insurance form as soon as possible. Let me know if you have any questions. |           |
