Good Morning Merlin,

I do not have any issues at this time, but will definitely contact you if any arise. Thanks for the guidance document. Hope all is well with you too!

Jeff

Good Afternoon Jeff,

I see a renewal is due with us by May 27 (a Friday). Are there any issues we need to discuss?

I believe the only "new" item from my end is that I'll be looking more closely at the WAP based upon EPA's new guidance from about a year ago (attached).

Hope all is going well.
