Jeff,

The extra few days is fine but as we talked, we do have an EPA workplan commitment to have a complete application by September 30.

Subject: "SK Tampa First RAI Response"

Good Afternoon Merlin,

Hope all is well. The reason I am writing is to request additional time to provide our response to the Department's First RAI. I will not be able to complete and submit the response by 8/19/16, which is the due date. If the Department is agreeable I would like to have until Wednesday, August 31, 2016 to submit the response. Please advise.

Thanks, Jeff
