Dear Ms. Boatwright:

This firm represents Diversified Environmental Services, Inc. in connection with the Department's recent compliance inspections and the proposed settlement letter and civil penalty assessment set forth in the Department's revised letter dated November 22, 2016. Enclosed please find the settlement letter which has been executed by Mr. Gerry K. McCormick on behalf of Diversified Environmental Services, Inc.

This correspondence shall confirm that Diversified Environmental Services, Inc. has completed all corrective actions to address any alleged violations set forth in the Inspection Reports for the Diversified facilities. This correspondence shall also confirm that Diversified is not required to obtain and does not intend to obtain a Used Oil Processing Facility Permit from the Department for its current operations in Hillsborough County. Further, Diversified does not admit nor acknowledge that any of the alleged violations asserted by the Department are actual violations pursuant to applicable State of Florida Statutory and Florida Administrative Code requirements applicable to this facility.

Please have the settlement letter executed by District Director Yeargan and return a fully executed copy to my attention at the above address. The only outstanding issue to resolve any and all provisions of the settlement letter is the payment of the civil penalty in the amount of \$5,700.00 and the Department's \$500.00 costs and expenses, for a total of \$6,200.00. Diversified Environmental Services, Inc. will remit this settlement payment to the Department

Mr. McCormick:

The State of Florida Department of Environmental Protection ("Department") finds that Diversified Environmental Services, Inc. The Respondent is also responsible for costs incurred by the Department during the investigation of this matter.

The Department's Offer

Based on the violations described above, the Department is seeking \$ \$5,700.00 in civil penalties and \$ 500.00 for costs and expenses the Department has incurred in investigating this matter, which amounts to a total of \$6,200.00. The Department acknowledges that the Respondent's acceptance of this offer does not constitute an admission of liability for the violation(s) referenced above.

Respondent's Performance

- c) An explanation of how the petitioner's substantial interests will be affected by the Order;
- d) A statement of when and how the petitioner received notice of the Order;
- e) Either a statement of all material facts disputed by the petitioner or a statement that the petitioner does not dispute any material facts;
- f) A statement of the specific facts the petitioner contends warrant reversal or modification of the Order;
- g) A statement of the rules or statutes the petitioner contends require reversal or modification of the Order; and
- h) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Order.

The petition must be filed (<u>received</u>) at the Department's Office of General Counsel, 3900 Commonwealth Boulevard, MS# 35, Tallahassee, Florida 32399-3000 within <u>21</u> <u>days</u> of receipt of this notice.
