Dear John D Miller:

To provide more efficient service, you are receiving the attached document by electronic correspondence ("e-correspondence") instead of a hard copy through the normal postal service.

Please verify receipt of this document by sending a "reply" message to the sender - EPOST_HWreg@dep.state.fl.us. No text is required in the body of the email.

You may check the current status of your facility at

https://fldeploc.dep.state.fl.us/www_RCRA/Reports/handler_sel.asp. Use your EPAID number from the attached notification letter. Be sure to first delete the "%" in the line that asks for your EPA ID number.

The attached document is in "pdf" format and will require Adobe Reader 6 or higher to open properly. Contact <http://www.adobe.com/products/acrobat/readstep2.html> to download a free copy.

If you have any changes like a new address, new contact person or a change in regulated activities, please update at any time during the year by submitting a new 8700-12FL "Florida Notification of Regulated Waste Activity" form. The form can be downloaded from here: <http://www.dep.state.fl.us/waste/categories/mercury/pages/registration.htm>.

Feel free to contact me with any questions.

Thanks

Janet
