Good Afternoon Linda/Charles

Thank you for submitting the 2016 Waste Tire Collector application. After reviewing the application I noticed that Charles White is already registered with us under WACS ID # 97111. If you would like to change the name to 2103 Corporation that won't be a problem, I can update the information in our system to reflect the change in name. The application was also missing a copy of the vehicle registration that is being used to haul/pick up tires and a copy of the annual report, which I have attached. I cannot process this application without the above mentioned information. You can either email these items to me or fax them 844/270-4629.

If you have any questions regarding this matter, please either replying to this email or call me at 850/245-8798.

Thanks, have a nice afternoon!
