RE: Closure Cost Estimate

Dear Mr. Gonzalez:

The Department has reviewed your submittal dated September 9, 1999, regarding the updated closure cost estimates for Chemical Conservation Corporation (CCC). The revised cost estimates address the financial requirements of 40 CFR 264.142 and, at this time, appear to be adequate for proper closure of the facility.

Please do not hesitate to contact Chris Aoussat, at (407) 893-3323 if you should have any questions regarding this matter.

Sincerely,

  
Robert T. Snyder P.E.  
Program Manager  
Hazardous Waste Section
