RE: Location Standards

Dear Mr. Gonzalez:

This letter is in response to your letter dated December 17, 1998 regarding Specific Condition #1 of Part I, "General Requirements", of the Hazardous Waste Construction/Operation permit for your facility.

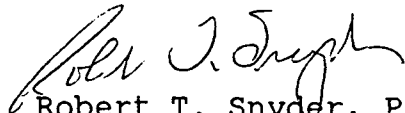

Specific Condition # 1 requires documentation that all requirements of Florida Statute (F.S.) 403.7211 have been investigated and that the facility is in compliance with the statute before any new construction or substantial modification may be implemented.

The Department has reviewed the documentation presented and concurs that Chemical Conservation Corporation, as of December 17, 1998, is in compliance with the requirements of F.S. 403.7211 and Specific Condition #1 of Part I of the issued permit.
