RE: FLD 980 559 728 - Chemical Conservation Corporation, Orlando, Florida

Dear Mr. Gonzalez:

I reviewed the Hazardous Waste Facility Certificate of Liability Coverage, policy number NTA125948308, submitted to demonstrate proof of liability coverage and find it is in order. The policy insures Chemical Conservation Corporation for sudden accidental occurrences with liability limits of \$1 million each occurrence and \$2 million annual aggregate. Therefore, Chemical Conservation Corporation is in compliance with the financial requirements of 40 CFR Part 264 Subpart H as adopted by reference in Rule 62-730.180, Florida Administrative Code.

Enclosed please find updated form 62-730.900(4)(k) for submittal with your next liability demonstration. If you have any questions, please contact me at 904/488-0300.

Sincerely,

*Ainè Marie Ryan*
