Re: Chemical Conservation Corporation FLD 980 559 728 —  
Hazardous Waste Facility Permit Application HC02-279948 & HO02-279952

Dear Mr. Snyder:

Enclosed with this letter is a revised Waste Compatibility Test Manual (Exhibit II.A.5/6.-1) contained in the Waste Analysis Plan of the hazardous waste facility permit application referenced above. The manual was revised to reflect changes to the compatibility test prompted by the incident of September 22, 1997 that were accorded with you in previous correspondence. Additional changes to the manual were made more recently to clarify procedures as requested by Mr. Chris Aoussat. Also enclosed is Page 10d of the application that was revised to correct an error discovered by Mr. Aoussat.

If you have any questions, please call me at 859-4441.

Sincerely,

CHEMICAL CONSERVATION CORPORATION

  
Armando I. Gonzalez  
Compliance Officer
