Construction Permit Application HC29-118986
Second Notice of Deficiencies

Hazardous Waste

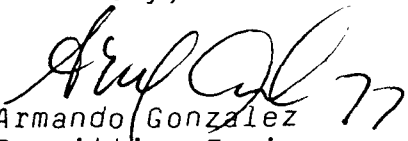

Dear Ms. Jurczak:

On August 25, 1986, you were notified that your application for a permit was incomplete. We expected your submittal with the necessary information to complete your application by September 10, 1986. A copy of the requested information is attached.

Pursuant to Section 120.60, Florida Statutes, the Department may deny a permit application if the applicant fails to supply additional information within a reasonable period of time.

We expect to receive your submittal addressing the information requested in this and past notice by October 3, 1986, to avoid us enforcing the action mentioned in above paragraph.

Sincerely,

Armando Gonzalez
Permitting Engineer
Hazardous Waste Section

Deficiencies

Part I - General

A. General Information

1. Items 5 and 20 of application form show incorrect EPA I.D. numbers. Also, boxes in item #2 were not filled out. Resubmit both pages.

B. Site Information

1. Submit a 1":2000' scale map containing map scale, orientation, date and drinking water wells within 1/4 mile.

D. Operation Information

1. Submit a drawing locating the wet dumpsters.
2. To comply with 40 CFR 270.14(a), drawings shall be certified by a registered engineer.

Part III - Tanks

1. In view of the attached Conversation Record sheet, submit a testing procedure for tanks. Inspection logs to record results should also be provided.
