Hi Merlin,

Sorry for the delayed response. We did not receive any response from Miami-Dade County regarding our Warning Notice response.

Good Morning Jeff,

Trying to close out a loose end. I don't see where you got back with me on the e-mail below but maybe you did? Can you check?

On another note, although I have not received the last couple items we discuss, I'm drafting the permit. I am going to want to get other DEP folks to review it before it goes to you so don't expect it until early 2018.

Jeff,

Just trying to close up loose ends. Did DERM ever respond to the attached letter? Was this closed out? Please send electronic copies of subsequent correspondence. Thanks.
