Good Afternoon Bradley,

Thank you for your phone call yesterday. I have reviewed the Used Oil Permit Draft. I have no additional comments.

I have also contacted the DeFuniak Springs Herald and will be sending them the Notice of Intent to Issue for a one time circulation in the newspaper next week. (Beginning Thursday 01/11/18).

I will follow up with the proof of publishing the Notice of Intent.

Thank you for your attention to this.
