Dear Ms. Walper:

My review of the financial test, dated November 8, 1993, with amendments, used to demonstrate financial assurance for Safety Kleen, Inc. revealed it is in order. Therefore, the above referenced facilities are in compliance with the financial requirements of 40 CFR Part 264, Subpart H.

I also reviewed your Certificate of Liability Insurance, NGA0105085-01, issued by Planet Insurance Company of New York, NY for sudden/non-sudden accidental occurrences. Your coverage satisfies the liability requirement of 40 CFR Part 264.147.

If you have any further questions, I may be reached at 904/488-0300.

Sincerely,

Rita Pate
Solid and Hazardous Waste Sections
