Please see attached response to RAI letter dated January 25, 2018. I look forward to your response.

I have attached a site drawing that includes the four new tanks, but I only have the sealed version being printed on large plans. I can mail them as as-builts, but I have no way of scanning the plans in their “sealed” current form. Please see attached and hopefully this will work for you.

The Material Processing responses will be emailed next week.

Sincerely,

Kelly Brandenburg
