Meeting Requested by: Norva Blandin and Kayla Acosta

Meeting Objectives:

To discuss inspection report, violations, warning letter, and the proposed penalty based on repeated violations.

Notes:

Violations are all corrected now. WPC acknowledges that violations are valid and accurate. WPC would like to negotiate the penalty calculation for violations #4 and #5 which is \$1300. Norva discussed EARA and penalty calculation Matrix and is willing to negotiate a 15% deduction from this combined violation amount of \$1300. WPC is requesting the adjustment be taken out to make the amount for the combined violation \$1000 which would bring the total from \$3,160 to \$2,860. WPC will discuss penalty with President (Eric Miranda) and submit a counter offer.

Agreements/Conclusions:

WPC will respond with a counter offer in one week. No settlement has been made. Once an agreement is made, Kayla will proceed to initiate a Short Form Consent Order with final penalty.

Follow-up Actions/Dates:

A response from WPC with a counter offer must be made by Monday February 26th, 2018. This counter offer will be emailed to Kayla Acosta.
