Good Morning Kim,

Below is confirmation of receipt for Raider Mulberry's Renewal Reminder Letter. Orlando Solis is the Director of Compliance and Environmental Operations (as indicated on the 8700-12), responding on behalf of Steve Obst (President).

He will be added to the CC distribution list for future correspondence, but Bheem still wants the letters going out to addressed to Steve. I am hoping that this should prevent the no response issue when we send them more letters.

Thanks!
